Case No. 2:16-cv-00457-GWF

STIPULATION AND ORDER TO
AMEND SETTLEMENT

19 The Parties have encountered some delays in mailing the Notices of Class Action
20 Settlement and so respectfully request the court approve a few changes to the terms of
21 settlement, all of which pertain to administration of the settlement.

22 ***Recent History and Present Status.***

23 1. This Court preliminarily approved the Settlement on March 19, 2018 (ECF No.
24 80). The parties agreed, and the Court preliminarily approved, that Defendant would pay the
25 Maximum Settlement Amount would be made over ten monthly installments, payments to Class
26 Counsel and Class Members would be made from the monthly payments. There was concern on
27
28

1 the part of the Claims Administrator as to the costs of mailing due to postage costs for so many
2 checks.

3 2. Plaintiffs' lead counsel, Andrew Rempfer, passed away on April 25, 2018. This
4 followed a serious illness, with sudden onset, for which he was hospitalized at UCLA Medical
5 Center in Los Angeles. He was initially expected to recover. Mr. Rempfer had considerable
6 experience in employment wage and hour collective and class action litigation and settlements,
7 negotiated the terms of the settlement agreement with Defendant's counsel, and had been
8 working with the court-approved Claims Administrator.¹ Since Mr. Rempfer's passing, at the
9 same time the parties were working to finalize the form of the Notice of Class Action Settlement
10 and working with the Claims Administrator, Mr. Rempfer's partners Joey Mott and Scott Lundy
11 have been trying to pick up the rest of Mr. Rempfer's cases. This has adversely affected the
12 settlement process.
13

14 3. Because of the number of anticipated monthly payments to the Class Members,
15 depending upon how many of the Members of the Fair Labor Standards Act (FLSA) Subclasses
16 "opt in" by filing Claim/Consent Forms, the estimated costs of administration at least doubled
17 due to the costs of postage to mail the checks on a monthly basis.
18

19 ***Requested Amendments to Administration of the Settlement***

20 In order to move this settlement process along, the Parties request the changes in
21 Settlement administration set forth below:

22 A. The parties request the Court amend the preliminary approval Order (ECF
23 No. 80) to change the manner in which the Net Settlement Amount is distributed. The Net
24 Settlement amount is that portion of the Maximum Settlement Amount to be paid to Subclass
25 members. Specifically, rather than making numerous monthly payments as Defendant Wiens
26 pays each of the ten (10) monthly installments of the \$295,000.00 Maximum Settlement
27
28

¹ ECF No. 80 at p. 26, ¶ 7.

1 Payment, all payments to counsel and class members will be mailed 14 days after Defendant
2 lodges the last installment; *with the exception* that, as soon as monies contributed through Wiens'
3 installment payments reach a sufficient amount, the Claims Administrator is authorized to pay (i)
4 the \$2,000.00 total of Enhancement Payments to the two (2) named Plaintiffs, assuming their
5 appointments as Class Representatives are approved in the final approval order; and (ii)
6 reimburse Class Counsel's costs of \$17,100.00 assuming those costs are finally approved. The
7 costs figure represents out-of-pocket costs incurred by Plaintiffs' counsel. This change will
8 reduce the costs, which are paid from the settlement, by at least \$5,000.00 through reduction of
9 postage costs. There are 467 Class Members, all of whom were slated to receive multiple checks
10 over the 10-month period, again depending upon the number of FLSA Subclass members who
11 opt in to the Settlement.
12

13 B. Amendment to the costs to be paid to the Claims Administrator bringing the
14 costs to a total \$12,500.00, a revised figure for the costs of administration, given the cost of
15 mailing the final checks. The Claims Administrator's cost is included in Class Counsel's costs in
16 the amount of \$17,100.00 discussed *supra*.
17

18 C. Given the increase in claims administration costs, the parties request an
19 adjustment to \$202,150.00 in the Class Fund for Distribution. This is adjusted due to the change
20 in the Claims Administrator's costs, both of which are deducted from the total settlement
21 proceeds.
22

23 D. Given these unanticipated delays referenced in paragraphs 1 and 2, the parties
24 request amendment to the first deadline in settlement administration mailing of the Notice of
25 Class Settlement to 14 days following the Court's issuance of an order on this Stipulation,
26 specifically the deadline to mail the Notice of Class Action Settlement to Class Members with
27 the accompanying documents. This adjustment of the mailing deadline also requires an
28

1 concomitant adjustment of the 60-day deadline for (i) members of the Rule 23 Uniform Class to
2 exclude themselves from the settlement, (ii) members of any Subclass to object to the portion(s)
3 of the Settlement that affects them, (iii) members of the two FLSA Subclasses to submit
4 Claim/Consent Forms in order to consent to join the FLSA claims, claim a share of that portion
5 of the FLSA settlement funds for the Mechanics and Technicians Subclasses, and submit
6 information to challenge the preliminary calculation included with the Notice, and (iv) the Rule
7 23 Uniform Subclass Members to submit an exclusion from that portion of the Settlement,
8 address change forms, and information to challenge the preliminary calculation included with the
9 Notice.
10

11 E. Approve the amended Notice of Settlement that incorporates the above
12 changes. This document is attached as **Exhibit A**.

13 F. Reschedule the final approval hearing for as soon as possible following
14 110 days after entry of the Order on this Stipulation.
15

16 G. Require submission of the Unopposed Motions for Final Approval of the
17 Settlement and Final Approval of Attorney's Fees and Costs 90 days after entry of the Order on
18 this Stipulation.

19 4. **Requested Order.** Accordingly, the Parties respectfully request the Court make the
20 following changes to settlement administration:

21 A. That all payments to Class Counsel and Class Members be made within 21
22 days following Defendant Wiens' final installment payment of the Maximum Settlement amount,
23 with the following exceptions: that, as soon as monies contributed through Wiens' installment
24 payments reach a sufficient amount, the Claims Administrator is authorized to pay (i) the
25 \$2,000.00 total of Enhancement Payments to the two (2) named Plaintiffs, assuming their
26 appointments as Class Representatives are approved in the final approval order; and (ii)
27
28

1 reimburse Class Counsel's costs of \$17,100.00 assuming those costs are finally approved. The
2 latter change is made in light of the fact the costs figure represents out-of-pocket costs incurred
3 by Plaintiffs' counsel

4 B. Approval of \$12,500.00, a revised figure for the costs of administration,
5 given the cost of mailing notices, reminder notices, deficiency notices, and checks.

6 C. Approval of a revised figure of \$202,150.00 for the Net Settlement
7 Amount.

8 D. Approval of the amended Notice of Settlement attached as **Exhibit A**.

9 E. Notices of Settlement must be mailed via First Class Mail no later than 14
10 days following the date of the Order on this Stipulation.

11 F. The final approval hearing will be rescheduled for a date that is as soon as
12 possible following 110 days after entry of the Order on this Stipulation.

13 G. Require submission of Unopposed Motions for Final Approval of the
14 Settlement and Final Approval of Attorney's Fees and Costs 90 days after entry of the Order on
15 this Stipulation.

SUMMARY OF THE LAWSUIT

5. On March 2, 2016, Plaintiffs Daniel Acuna and Jerry Shaffer, on behalf of themselves and others similarly situated, filed the above-referenced lawsuit against Southern Nevada T.B.A Co., a Nevada Corporation, doing business as Ted Wiens Tire & Auto Centers (“Wiens”), alleging that Wiens failed to pay wages for all hours worked in violation of the Fair Labor Standards Act (referenced below as “FLSA”), 29 U.S.C. § 201 et seq.; failed to pay overtime or correct overtime in violation of the FLSA, 29 U.S.C. § 207, and NRS 608.018; failed to pay liquidated damages, 29 U.S.C. § 216(b); failed to pay for all hours worked in violation of NRS 608.140 and 608.016; failed to pay minimum wages in violation of the Nevada Constitution, Article 15, Section 16; and NRS 608.250; deducted fees for laundering their work uniforms in violation of NRS 608.165; failed to timely pay all wages due in violation of NRS 608.140 and 608.020-050; conversion; and unjust enrichment (referenced throughout this Notice as the “Lawsuit”).

6. After extensive exchange of relevant information, a mediation session, and negotiations, the Parties reached the Settlement in good faith that is memorialized in the Settlement Stipulation and Agreement on file with the Court. The terms of the Settlement are generally summarized in this Notice.

POSITIONS OF THE PARTIES

7. Wiens has denied and continues to deny each of the claims in the Lawsuit. Wiens contends that all of its employees have been compensated in compliance with the law and that its conduct was not willful with respect to any alleged failure to pay any wages (including but not limited to overtime and/or minimum wages) or with respect to all of its compensation practices; and that it was not unlawful to have employees pay for laundering of uniforms. Wiens has repeatedly asserted and continues to assert defenses to the claims in the Lawsuit, and has expressly denied and continues to deny any wrongdoing or legal liability arising out of any of the facts or conduct alleged in the Lawsuit. Wiens’ entry into this Settlement and the consummation of this Settlement is not an admission of any liability or wrongdoing by Defendant or any Released Party or person. Defendant specifically denies any liability, wrongdoing, or culpability of any kind whatsoever for the claims alleged and released in the Action, and further denies that, for any purpose other than settling, the Lawsuit is appropriate for class and representative treatment. Wiens has settled this case for purposes of saving the time and expense of further litigation of this Lawsuit, and so Defendant and Released Parties can buy their peace.

8. Counsel for the Plaintiffs (“Plaintiffs’ Counsel” or “Class Counsel”) has extensively investigated and researched the facts and circumstances underlying the issues raised in the Lawsuit, and the law.

9. Plaintiffs and Plaintiffs’ Counsel recognize the expense and length of continued proceedings necessary to continue the Lawsuit against Wiens through trial and through any possible appeals. Plaintiffs’ Counsel has also taken into account the uncertainty and the risk of the outcome of further litigation, including the risk that the class might not be certified in light of Wiens opposition to certification as well as the difficulties and delays generally inherent in such litigation.

10. Plaintiffs and Plaintiffs’ Counsel are also aware of the burdens of proof necessary to establish liability for the claims, of Wiens defenses thereto, and of the difficulties in

establishing damages for the Class Members. Plaintiffs' Counsel has also taken into account the extensive settlement negotiations conducted by the Parties. Plaintiffs' Counsel believes the proposed Settlement is fair, adequate, reasonable, and in the best interests of the Class Members.

11. Wiens has also extensively investigated and researched the facts and circumstances underlying the issues raised in the Lawsuit, and the law applicable thereto. Although Wiens believes the company has meritorious defenses to the Lawsuit, Wiens has concluded that the continued litigation of Plaintiffs' claims and defense of this Lawsuit would be lengthy and expensive for all Parties. Wiens has, therefore, agreed to settle this Lawsuit in the manner and upon the terms set forth in the proposed Settlement to put to rest all claims that are or could have been asserted against it in the Lawsuit.

12. The Court has made no ruling on the merits of Class Members' claims and has determined only that certification of the classes for Settlement purposes is appropriate under state law.

PRELIMINARY APPROVAL OF THE SETTLEMENT

13. Class Counsel. On March 19, 2018, the Court appointed the following attorneys as Plaintiffs' Counsel to represent the Class in this Lawsuit:

Rempfer Mott Lundy
10091 Park Run Drive, #200
Las Vegas, Nevada 89145
TEL: (702) 384-9900

Andrew L. Rempfer, Esq.
Joseph N. Mott, Esq.
Scott E. Lundy, Esq.

14. Class Definitions. On March 19, 2018, for purposes of the Settlement, The Hon. George Foley, United States Magistrate Judge of the United States District Court, District of Nevada, certified three (3) Subclasses of individuals. Collectively, the Subclasses referenced hereafter as the "Class:"

a. Mechanics Subclass. Those persons who worked for Defendant Wiens as Mechanics, otherwise known as Auto Technicians, during the Class Period and who timely submit file a valid Claim/Consent Form consenting to be a party in the Lawsuit's FLSA claims and releasing claims subject to Court approval.

b. Technician Subclass. This means those persons who worked for Defendant as an either a Tire Technician or a General Services Technician during the Class Period and who timely file a valid Claim/Consent Form consenting to be a party in the Lawsuit's FLSA claims and to release claims subject to Court approval.

c. Uniform Subclass. This means those persons employed by Wiens during the Class Period and who paid, through payroll deductions, fees to cover the costs of laundering their uniforms and who timely file a Uniform Claim Form.

15. The Class Period is March 2, 2013 through January 31, 2017.

16. Claims Administrator. The Court has appointed Swarts & Swarts as Claims Administrator to notify the Class and coordinate the claims process.

17. If you are a member of the Uniform Subclass, you will be bound by the proposed Settlement of claims related to the payroll deduction for uniform laundering described below if it is approved, unless you make a written Request for Exclusion in the manner described below.

18. If you are a member of the Mechanics or Technicians Subclasses, you will be bound by the proposed Settlement of the wage and hour claims, and receive money on these portions of the Settlement, only if you timely send to the Claims Administrator a fully-completed, valid Claim/Consent Form in the manner described below.

SUMMARY OF SETTLEMENT TERMS

The following is a summary of the provisions of the proposed Settlement between the Plaintiffs, the Class, and Wiens. The specific and complete terms of the proposed Settlement are described in the Stipulation and Agreement for Settlement and Release of Fair Labor Standards Act Collective Action and Settlement and Release of Claims in Accompanying Class Action and amendments thereto (referenced as "Settlement Stipulation"), a ~~copies~~ copy of which ~~are~~ is available for your review as set forth at the end of this Notice.

19. Conditions of the Settlement. This Settlement is conditioned upon the Court entering an order at or following the Final Approval Hearing approving the Settlement, as agreed by the Plaintiffs and Wiens, as fair, reasonable, adequate, and in the best interests of the Settlement Class, entering Judgment in accordance with the Settlement Stipulation, and the dismissal of any appeal, writ or other appellate proceeding challenging the Court's Judgment with no right to pursue further remedies or relief beyond this Settlement.

20. Final Approval Hearing. A Final Approval Hearing will be held in United States District Court, District of Nevada, located at 333 Las Boulevard South, Las Vegas, Nevada 89101, on _____, 2018 at ___ a.m./p.m. in Courtroom No. 3A. At this hearing, the Court will determine whether the proposed Settlement is fair, adequate and reasonable and whether it should be approved by the Court and whether the Lawsuit should be dismissed on the merits with prejudice. The hearing may be adjourned, continued, and/or rescheduled by the Court from time to time as the Court may direct without further notice.

You do not need to attend that hearing to participate in the proposed Settlement.

21. Settlement Amount. The Settlement Stipulation provides that Wiens will pay a total of **\$295,000.00** (the "Maximum Settlement Amount") to fully resolve the issues, payable in Awards of monies will be paid in up to ten (10) equal monthly installments of \$29,500.00. This Maximum Settlement Amount includes all sums payable as a result of the Settlement, including Settlement Awards to eligible Class Members, Enhancement Awards to named Plaintiffs Acuna and Shaffer for their roles as Class Representatives, employer payroll costs for that portion of the Settlement Awards that are "wages," attorney's fees and costs, and costs of Claims Administration, ~~each of which will not exceed, in the aggregate, \$29,500.00.~~ After the Court gives final approval of es ~~the Settlement and Wiens has paid all of the Maximum Settlement Amount,~~ and after deduction of the court-approved deductions from the Fund, as referenced immediately below, Settlement Awards will be distributed to:

a. Each member of the Mechanics Subclass and the Technicians Subclass, ~~respectivelyfully, who: timely-completes, signs, and timely mails~~ a valid Claim/Consent Form in which he/she consents to inclusion in the claims asserted under the FLSA and releases all claims related to wages as set forth below.

b. ~~MEach members~~ of the Uniform Subclass who does not timely exclude themselves ("opt-out"). Those members of the Uniform Subclass who are employed by Wiens as of ~~March 19, 2018~~ the date of Final Approval of the Settlement March 29, 2018 do not have to file a Uniform Laundering Fee Settlement Claim Form unless you believe that corrections to your address or numbers of hours worked are needed. All other members of the Uniform Subclass must complete, sign, and timely mail file a Uniform Laundering Fee Settlement Claim Form ("Uniform Form") to provide his/her current address and, if needed, to correct the number of hours worked.

22. Deductions from the Maximum Settlement Amount. The following deductions will be made prior to the distribution of Settlement Awards to Class Members, leaving a Net Settlement Amount of \$202,150.00:

a. Fees and Expense Award. As part of the Settlement approval process, Class Counsel will seek approval of an award of attorneys' fees of **\$73,750.00** for all current and future attorneys' fees, and ~~\$17,100.00~~ \$14,600.00 as costs incurred in the Lawsuit, as the "Fees and Expense Award." Class Counsel shall not be permitted to petition the Court for any additional payments for fees, costs, or interest and the Fees and Expense Award shall be utilized for all claims for attorneys' fees and costs, past, present, and future incurred in the Lawsuit. As part of the Settlement, you will not be required to pay Plaintiffs' Counsel separately for their representation of the Class in the Lawsuit.

b. Enhancement Awards. Class Counsel will also seek approval for the payment of Enhancement Awards to the two (2) Class Representatives (named Plaintiffs) in this Lawsuit, for a total of **\$2,000.00**. This is comprised of (i) a payment of **\$1,000.00** to Plaintiff Daniel Acuna and (ii) a payment of **\$1,000.00** to Plaintiff Jerry Shaffer for their participation on behalf of the Class in this action.

c. Expenses of Claims Administrator. Class Counsel will also seek approval for the payment of the expenses of the Claims Administrator of no more than **\$12,500.00**, which sum is included in the costs to be recovered by Class Counsel as noted in paragraph 22(a) above ~~10,000.00~~.

23. Payments to Class Members: The remainder of the Maximum Settlement Amount will be divided into three Sub-Funds, one for each Subclass. Once the deadline passes for submission of Claim/Consent Forms and ~~Uniform Laundering Fee Settlement Claim Forms, s~~ and the Court finally approves the Settlement, and it has become final, the Claims Administrator will perform a final calculation of the total Award for each Class Member, ~~who has submitted a valid Form~~. The following is the Court-approved plan of allocation:

a. Using a summary of data in Wiens' payroll or personnel records, the Claims Administrator will do the following:

(1) For the Mechanics Subclass and the Technicians Subclass, calculate the total number of full and partial months worked by each member of these two Subclasses during the period March 2, 2013 through January 31, 2017. "Partial

month" is the percentage of a full calendar month the Subclass Member was employed.

(2) For the Uniform Subclass, calculate the full and partial months worked by each Subclass Member during which deductions were made from paychecks for fees for laundering of uniforms during the period March 2, 2013 through January 31, 2017. "Partial month" is the percentage of a full calendar month the Subclass Member was employed and had deductions for laundering of uniforms.

b. Calculation of Settlement Awards. The Claims Administrator will calculate the eligible Settlement Award for each Subclass Member as the percentage of full and partial months (as defined immediately above) that Member worked during the Class Period of the total amount of full and partial months worked by all Subclass Members. This calculation takes (i) the number of full and partial months each individual Subclass Member was employed during the Class Period, then (ii) dividing that number by the total number of full and partial months all Subclass Members were employed during the Class Period, to (iii) obtain the percentage of full and partial months that Subclass Member was employed; then (iv) that percentage will be applied to the Sub-Fund Amount to determine that Subclass Member's Award. The formula is: [Subclass Member's total eligible full and partial months] ÷ [total of the Subclass's eligible full and partial months] = [percentage of Subclass's eligible full and partial months] X [amount of the Sub-Fund] = [Subclass Member's eligible monetary award]. To calculate the Awards to the Members of the Mechanics and Technicians Subclasses, before application of the formula, the amount of the estimated employer payroll taxes will be deducted.

c. A preliminary calculation of your eligible total Award amount, together with the number of full or partial months you were employed during the Class Period, is included on the (a) Claim/Consent Form for those in the Mechanics Subclass and the Technicians Subclass; and (b) Uniform Claim Form for those in the Uniform Subclass. The appropriate form(s) is enclosed with this Notice.

d. If you disagree with the number of full and partial months worked while employed during the Class Period as shown on the Form(s) referenced in paragraph 23(c), above, you can dispute the amount by providing credible written evidence to the contrary. Wiens' records are presumed to be correct. A Class Member may challenge the information as to the number of full or partial months he or she worked during the Class Period by submitting credible written evidence to the Claims Administrator no later than the deadline to submit the Claim/Consent Form (for Mechanics and Technicians Subclasses) and the Uniform Laundering Fee Settlement Claim Form (for Uniform Subclass). That written evidence may be submitted with the Form. The Claims Administrator and the Parties will review the evidence and make a decision whether to change the number of months to be used in re-calculating the award. In the event the Parties agree, that determination will be final, binding, and non-appealable. If the Parties are unable to agree, the Claims Administrator will make a decision, subject to review and final decision by the Court at the time of the final approval hearing.

24. Tax Matters. Under the terms of the Settlement,

a. The Settlement Awards to each Member of the Mechanics Subclass and the Technicians Subclass, respectively, will be allocated when paid as follows: one-third (1/3) will be allocated to alleged unpaid wages for which IRS Forms W-2 will issue and from which taxes and other withholdings will be deducted; one-third (1/3) will be allocated to alleged unpaid

penalties, from which there will be no deductions and for which IRS Forms 1099-MISC will issue; and one-third (1/3) will be allocated to alleged unpaid interest, from which there will be no deductions, for which IRS Forms 1099-MISC will issue. Wiens' payroll tax payments in connection with the unpaid wages portion will be paid out of the sub-fund.

b. There will be no deductions from Settlement Awards to Members of the Uniform Subclass.

c. Authorized Claimants should consult with their tax advisors concerning any tax consequences of the payments that they receive under the Settlement. Neither the Parties, the Claims Administrator, nor the attorneys for the Parties are providing tax advice.

RELEASE OF PARTIES AND CLAIMS

25. The Settlement Awards and the Enhancement Awards will be paid to Class Members specifically in exchange for the applicable release of the Released Parties from the Released Claims and for the covenant not to sue concerning the Released Claims.

26. If the Settlement is approved and ~~if~~ the Order of Final Approval dismissing the Lawsuit is entered and the Judgment becomes final, those Uniform Subclass Members who have not validly requested exclusion from that part of the Settlement will be bound by the terms of the proposed Settlement, including releases of parties and the claims set forth at paragraphs 27 and 28(b) below.

27. Released Parties. "Released Parties" collectively means (i) Southern Nevada T.B.A Co., a Nevada Corporation, doing business as Wiens Tire & Auto Centers; (ii) its other and respective past, present and future parents, subsidiaries, joint ventures, and affiliates; (iii) the past, present and future shareholders, directors, officers, members, managers, agents, employees, attorneys, insurers, predecessors, successors, and assigns of any of the foregoing; and (iv) any individual or entity which could be jointly liable with any of the foregoing.

28. Releases of Claims.

a. "Released Claims-Wages and Hours" means the claims to be released by members of the Mechanics Subclass and the Technicians Subclass who file a Claim/Consent Form, which claims specifically include all claims and causes of action, asserted via claim with any federal or state administrative agency or through a legal action or lawsuit, relating to, or in connection with, any facts, transactions, events, policies, occurrences, acts, records, disclosures, statements, omissions, or failures to act which are or could be the basis of claims alleged in the Amended Complaint on file in this Action, which alleges that the Released Parties failed to pay all wages due for time worked; failed to pay overtime wages due under any state and/or federal statute, including but not limited to the federal FLSA; failed to pay minimum wages due under any federal or state statute or Nevada Constitution Article 15, Section 16; failed keep records concerning time worked in a lawful fashion; failed to pay liquidated damages, or any other damages or equitable recovery under federal or state statute or Nevada Constitution Article 15, Section 16; failed to pay "waiting time" and other penalties under NRS 608.040; interest, attorneys' fees and costs under any federal or state statute or Nevada Constitution Article 15, Section 16; as well as all other claims and allegations made in the Action and that arise out of the facts alleged in the Action from the beginning of time through January 31, 2017; provided that, only those Members of the Mechanics and

Technicians Subclasses who timely submit valid Claim/Consent Forms will be deemed to have waived and released the above-described claims.

b. "Released Claims-Uniforms" means the claims to be released by the Uniform Subclass, including all claims and causes of action; asserted via claim with any federal or state administrative agency or through a legal action or lawsuit, relating to, or in connection with, any monies deducted from their paychecks or otherwise paid to Defendant for laundering or for otherwise cleaning of their uniforms worn for work at Defendant's place of business, under federal or state law, including but not limited to, claims under NRS 608.165, Chapter 608 of Nevada Revised Statutes, conversion, and unjust enrichment, as well as all other claims that could have been made that arise out of those facts, from the beginning of time through the date of court approval.

c. There may exist facts and/or damages pertaining to any or all of the Released Claims in paragraphs 28(a) and 28(b), above, of which Plaintiffs and Class Members have no knowledge, reason to know, or suspicion at the time the parties, Class Counsel, and Defendant's Counsel sign this Agreement, and that a Class Member may later discover facts different from or in addition to those he or she now knows or believes to be true. The Releases at paragraphs 28(a) and 28(b), respectively, shall apply to all such unknown and unanticipated damages and claims, as well as to those now known or disclosed, based on the facts alleged in the Amended Complaint, and, further, that this Agreement shall remain in full force and effect in all respects notwithstanding any such different or additional facts.
